

# "TAIL GATOR"

The Satsuma "Tail-Gator" will be on September 26, 2026. It will be held again at the Steel Creek Landing, 368 Juniper Ave., Satsuma, AL, 36572 from 8AM until 11AM. We will be meeting on the grassy field before the landing. Talk-in will be on the 147.015 repeater, tone is 123.0.

"Testing for all license classes at this event is optional- please contact your local VEC to see if they are attending and if they will be testing."  
We have had good exposure to the public at each successive "Tail-Gator" and hope to continue to be open and accommodating to the public, encouraging others to enter and enjoy Ham radio!

For those who have not been to a Satsuma "Tail-Gator", here are the directions:  
Directions: From north- or south-bound on I-65, take exit 19 onto Hwy. 43 south, go 1.1 mile and Juniper Ave. will be on the left. If traveling up Hwy. 43 from Mobile just go through Chickasaw, Saraland and into Satsuma...Juniper Ave. will be on the right about ¾ mile past the third light in Satsuma. Follow Juniper Ave. to the end, the landing entrance will be on the right. WATCH SPEED LIMITS!

Also, there are several places to eat in Satsuma: our newest addition is Satsuma House of Pizza(Grade A #1!)...then there's Waffle House, several burger joints (all near/at the Petro Truck Stop), Chevron gas station (great food!), Shrimp Lady- and all good prices, too! Gas prices are well in-line in this area as well.

Hope to see y'all there! SPREAD THE WORD!

Bud, KC4HGH.

**This event is not affiliated with any group or association...**...it's just put on for the fun of it.
